## ACRYLIC LAMINATES

Acrylic laminate is a top choice for those seeking a durable, aesthetically pleasing and versatile surfacing material. It is a worthwhile investment for homeowners and architects due to its resistance to scratches and stains. Acrylic laminate brings a combination of functionality and style to various applications in residential and commercial settings. With proper care and maintenance, acrylic laminates can retain their beauty for years. Aldura Laminates is the leading manufacturer where you can get the best acrylic laminates in India.

## WHY CHOOSE US

A Compatible and highly worthy alternative to your conventional panels would definitely be Aldura Laminates. The stringent testing protocol carried out by us ensures that every product churned out of our manufacturing unit matches the impeccable world class standard in terms of quality and finishing. Our Acrylic Laminates, exhibiting advanced features to ensure surface stability, scratch resistance and suitability for interior applications. To stay connected with the evolving trends, Aldura has ridged acrylic laminates, exhibiting our adherence to new products development. Our Commitment to customer satisfaction drives us to deliver excellence solutions for all your surface needs. The well qualified team at the helm ensures easy installation and minimal wastage. The laminates are delivered within the agreed timelines and with no compromise to the quality as well.

Please match the batch number before installation. Company liability does not arise if the shade mis match due to batch variation.
