VISION

Our Legacy of Design

With over a decade of experience in the plumbing and bathware industry since 2013, we have evolved into a premium brand offering world-class kitchen and bathroom solutions. Sylux is the result of years of learning, refinement, and dedication to bringing reliable, stylish, and high-performing products to homes.

Our product range includes kitchen sinks, faucets, floor drainers, and bath accessories—crafted using top-grade stainless steel and brass, available in premium PVD and Nano finishes.

Backed by a strong dealer network and exceptional after-sales support, Sylux combines design, durability, and trust to enhance everyday living.

CRAFTED FOR LIFE

A Message from the Founders

At Sylux, our journey is built on passion, consistency, and a clear commitment to quality. What started as a humble beginning has now become a growing brand trusted by dealers and customers alike.

We always aim to bring meaningful innovations in the kitchen sink segment, strive to be the No.1 brand in this category, and ensure exceptional service throughout the journey.

We believe in strong relationships, continuous improvement, and delivering real value to every home. With your continued support, we aim to build something truly meaningful—not just as a brand, but as a reliable partner in this industry.
